SAY SOMETHING

The Compliance Hotline is a private voicemail box where THLW employees can report any compliance issues or concerns they might feel uncomfortable reporting to others for whatever reasons.

Report It

The mailbox is private and is only accessed by the Vice President of Risk Management, Compliance, and Data Governance and the Corporate Compliance Manager.

You can remain anonymous if you prefer, but you are free to leave your name and contact information. Please note that leaving your contact information allows the compliance team to follow up with clarifying questions if needed.

When making a report, please be as detailed as possible. This will assist the compliance team with the necessary information to follow up on the concerns.

All reports will be taken seriously, possibly investigated, and referred to the appropriate management personnel for a resolution.
